Please note that the customs declaration can only be passed on to the customs when we received the complete business partner, goods details and documents named above.

To avoid problems with the custom time limit, please send all of the relevant documents to us until latest 48 hours prior transport starts.

You can find the HS-Code of your goods here (German & English): www.zolltarifnummern.de

Please send back the filled sheet to the following mail address: zoll@heinloth.com
